(That person who is awake in those that sleep, shaping desire after desire, that, indeed, is the pure. That is Brahman, that, indeed, is called the immortal. In it all the worlds rest and no one ever goes beyond it. This, verily, is that, kamam kamam : desire after desire, really objects of desire. Even dream objects like objects of walking consciousness are due to the Supreme Person. Even dream consciousness is a proof of the existence of the self.

No one ever goes beyond it : cf. Eckhart : 'On reaching God all progress ends.')

“Excellence is never an accident; it is the result of high intention, sincere effort, and intelligent execution.” – Aristotle

The accounting profession stands as a robust pillar of the global financial ecosystem, characterised by its forward-thinking approach and remarkable agility in gracefully adapting to an ever-evolving economic landscape. Over the years, the Institute of Chartered Accountants of India (ICAI) has emerged not only effectively solidify its role as a regulatory body but also emerged as a formidable force and trusted partner in driving our nation's economic growth. Our commitment remains unwavering: to ensure that the capabilities of our members and students meet and exceed the highest expectations of all stakeholders and society.

A significant part of this strength comes from our members serving in Industry and Business. These professionals stand at the forefront, responsible for ensuring financial prudence, accountability, and the integrity of reporting across every sector. It is a matter of great pride that the number of Chartered Accountants holding leadership positions in industry continues to rise steadily.

The tradition of recognizing this exemplary commitment began in 2007 with the institution of the ICAI Awards. The Committee for Members in Industry & Business (CMI&B) of ICAI is immensely proud to uphold this tradition for the 19th consecutive year.

It is our profound pleasure to announce the 20th ICAI Awards, which aim to recognize and appreciate the unparalleled contributions and exemplary services of Chartered Accountants in the fields of Business, Industry, and Commerce. These awards honor individuals who embody excellence, dedication, outstanding leadership, and the ability to consistently deliver the best making them exemplary role models for the entire fraternity. Their professional accomplishments shine as a beacon of excellence that the CA qualification represents and serve as an inspiration to all members.

We invite all eligible members, who do not hold a full-time Certificate of Practice (COP), to wholeheartedly participate and nominate themselves for the 20th ICAI Awards. We are confident that their participation will be a valuable and enriching experience.

We wish the event a great success and hope this annual celebration will further enhance ICAI's stature and elevate the global eminence of the Chartered Accountancy profession.

The Institute of Chartered Accountants of India (ICAI) had instituted ICAI Awards way back in the year 2007 to recognize the members who have demonstrated excellence and portrayed an abiding commitment to achieve heights as CA professional. These awards seek to honor an individual who possesses excellent skills, dedication, enthusiasm, leadership, and the ability to deliver the best that we all strive to emulate.

ICAI continues its legacy to honour stellar individuals, by organizing 20th ICAI Awards.
